Therefore, KSL shall be deemed to have an interest in EIE Industrial by virtue of EIE holding 100% shares in the capital of EIE Industrial. He is the brother to KSK.

As at the financial year ended 31 December 2018, there is no amount due and owing to the Company by its related parties arising from the RRPT as set out in the Section 2.2.1 of this Circular, which exceeded the credit term.

2.2.2 Review and Disclosure Procedures

KSSC Group has established procedures to ensure that the Recurrent RPTs are conducted at arm's length and on normal commercial terms consistent with the Group's usual business practices and policies, are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.

The Management will mark up the cost with certain approved percentage margin to be reviewed by the Group Accountant to ensure the Company does not incur loss.

All the recurrent RPTs, sales of the specific industrial hardware which are very unique and not available to other buyers are reviewed and recommended by senior management staff after taking into consideration on the KSSC Group's pricing policies, the funding and administrative cost. The Board does not set the threshold on the RRPT. All the recurrent RPT were reviewed and tabled at the Audit Committee Meetings quarterly. The Audit Committee has deliberated before it is put forward to shareholders.

The Company does not seek for any price comparison with unrelated third parties for they are very specialized and niche products that are sold only to the related party who is the authorized distributor to the products. The transaction price will be determined by the Management based on the cost of sale, funding, administration and other related cost to ensure that the Recurrent RPTs are not detrimental to the Group. The selling price is consistent with the group's pricing policy.

The Management of KSSC Group has been kept informed of the disclosure procedures for Recurrent RPTs, who would ensure that Recurrent RPTs with Related Parties would be entered into after taking into account the exclusivity of the distributorship, pricing, expertise required and funding factors.

Records/reports on all Recurrent RPTs disclosed by Directors, Major Shareholders and management are tabled at the quarterly AC meetings.

If a member of the Board and/or AC has an interest (direct or indirect), as the case may be, the Director concerned shall abstain from deliberation and any decision making in respect of the Recurrent RPTs.

The AC will review the mechanism on the pricing at least once in a year to ensure that RRPT is not detrimental to the minority and in the best interest of the Group.

2.2.3 AC Statement

All the Recurrent RPTs were tabled to AC for review and deliberation quarterly.

The AC is of the opinion that the procedures mentioned in Section 2.2.2 are sufficient:

- (a) to monitor, track and identify Recurrent RPTs in a timely and orderly manner; and
- (b) to ensure that Recurrent RPTs are not more favorable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of KSSC.

2.2.4 Disclosure

The Company has disclosed the details of Recurrent RPTs conducted during the financial year ended 31 December 2018 in its Annual Report 2017 in accordance with Section 3.1.5 of PN12.

Disclosure of the same will be made in the annual report of the Company for the next financial year during which the Proposed Mandate is in force, providing among others, the following information:

- (a) type of Recurrent RPTs; and
- (b) names of Related Parties involved in each type of Recurrent RPTs and their relationships with the Company.

2.3 RATIONALE FOR RRPT MANDATE

The Recurrent RPTs are carried out in the ordinary course of business. They are recurring transactions of a revenue or a trading nature which are likely to occur with some degree of frequency. These Recurrent RPTs may be time sensitive by nature, making it impractical to seek shareholders' approval on a case by case basis before entering into such RPTs. As such, the Board is seeking the RRPT Mandate under Paragraph 10.09 of the MMLR for these Recurrent RPTs so as to facilitate the efficiency with which these transactions are carried out.

By obtaining the RRPT Mandate and renewal of the same on an annual basis, the necessity to announce and/or convene separate general meetings to seek shareholders' approval as and when such Recurrent RPTs occur would not arise. This would substantially reduce administrative time and expenses associated with the convening of general meetings on an ad hoc basis, without compromising the corporate objectives of the Group or adversely affecting the business opportunities available therein.

The Recurrent RPTs to be entered into by the Group as detailed in Section 2.2.1 are anticipated to continue to meet the Group's business needs on good terms and in the long term interest of the Group.

2.4 EFFECTS OF RRPT MANDATE

The RRPT Mandate is not expected to have any effect on the share capital, NA, earnings and shareholding structure of KSSC.

2.5 APPROVAL REQUIRED

The RRPT Mandate is subject to the approval of shareholders at the 33rd AGM.

3.0 INTERESTS OF INTERESTED RELATED PARTIES

Save as disclosed below, none of the other Directors, Major Shareholders or person(s) connected has any interest, direct or indirect, in the RRPT Mandate.

The direct and indirect shareholdings of the Interested Related Parties in KSSC as at LPD are as follows:

Interested Related Parties	Direct		Indirect	
	No. of Shares	%	No. of Shares	%

The late Koh Seng Kar @ Koh Hai Sew passed away on 23 March 2019. Koh Seng Lee being the interested party was abstained from Board deliberations pertaining to the RRPT Mandate.
